### Note

- Check-in Time: If you have completed your online check-in, please pick up your boarding pass and check in your baggage at least one hour prior to departure in order to comply with immigration and security procedures. EVA Air and UNI Air reserve the right to cancel your online check-in if you fail to pick up your boarding pass at least one hour prior to flight departure.
- Print check-in confirmation: In order to expedite check-in and minimize waiting time at the airport, please bring your printed Check-In Confirmation slip and present it at the check-in counter.
- Passengers departing from London Heathrow Airport with an upgrade booking in Elite class with mileage are unable to self print the boarding passes due to the differences in airport tax. An online check-in confirmation slip can be printed and your boarding passes will be ready for collection at the airport after the additional airport tax is paid.
- Please ensure your travel documents (passport, tickets and visa, if required) are valid. EVA Air and UNI Air may refuse to carry passengers who do not present valid travel documents at check-in.
- EVA Air passengers departing from Heathrow Airport who have already checked in online are requested to use a KIOSK to obtain their baggage tags and/or boarding passes.
- If the first sector of your flight is not operated by EVA Air or UNI Air, please inform the airline's check-in staff that you have already checked in online for your connecting EVA Air or UNI Air flight.
- Please be sure Return Flight you depart from Taipei, Kaohsiung, Hong Kong or Macao and have a return flight scheduled within 48 hours, you will receive boarding passes for both sectors when you check in at the airport for your first flight.
- Please visit "Baggage Information" in EVA AIR official website for your baggage regulation and Dangerous Goods notice.
- This Check-in Confirmation CANNOT be used as a boarding pass or as proof of flight. It is for reference only.
- EVA Air and UNI Air reserve the right to substitute aircraft according to fleet needs, to change seat assignments and to adjust departure and arrival schedules in the event of unforeseen circumstances.
